

PROJECT COMPLETION REPORT

Beneficiary: Tibetan Settlement Office Dharamshala

Project Title: CGI Roof Sheet for TSO Staff Quarter

Grant amount: INR 5, 88,070 (Five Lakh Eighty Eight thousand and Seventy only)

Total expenditure: INR 5,88,070/-

Remaining balance: NIL

Update Summary

As Dharamshala experience very heavy rainfall during monsoon from early June to Late September for almost four months. Heavy rainfall leads to leakages and moisture in the house which leads to hazardous health problems to settlement officers and family members. Therefore, monsoon has always been a very alarming and difficult season in state of Himachal Pradesh.

Heavy rainfall often expose buildings to leakages and moisture in house, hence the best viable solution is to provide a CGI sheet roofing on the rooftop as the same will not only help in reducing the heat but also keep the building safe from rain water and prolong its durability

Outcomes

The Tibetan Settlement Office, Dharamshala is very fortunate to receive an amount of INR 5,65,452/- Five Lakh Sixty Five thousand four hundred and fifty two from the department of homes CTA towards installing CGI Roof sheet. This project fund has helped our staff quarter from leakages due to incessant rain and high humidity. A greater staff quarter makes employees feel at home and especially those civil servants who are and will be posted in the future. A good maintenance staff quarter makes employees feel valued and also helps to increase productivity.

Budget:

According to the project proposal, the requested fund is INR 5,88,070/- after four percent deduction the total amount our office received was INR 5,65,452/-

S. No	Source of Work	Cost (INR)
