### Project Proposal Format-2023 Central Tibetan Administration

**Note:** Please study the proposal format carefully before filling it up. If felt required, you may attach other documents and details.

#### PART A: BASIC DATA:

1. Title:	What is the most appropriate phrase that represents the core
	purpose of the project?
2. Location:	Write the name (s) of the settlement or institution in which the
	main activity was carried out.
3. Start & completion	start date:monthyear
dates:	end date:monthyear
4. Beneficiary Contribution:	What's the amount of the beneficiary's contribution to the
	project? (if any)
5. Total budget:	The amount requested for the project excluding beneficiary's
	contribution?
6. Target group:	Describing the primary stakeholder's socio-economic
	type/identity/group, mention how many direct beneficiaries are
	there for this project by gender.
7. Executing	Who will execute the project at settlement level? Give phone no.
section/officer:	& email address.
7. Executing partner/office:	Who will implement the project at departmental level?

#### PART B: PROJECT CONTEXT

#### **B.1.** Problem statement:

Describe briefly the situation in which the core problem or gaps is located along with the causes. Also describe its fall outs/impacts to the affected group if not resolved immediately.

#### B.2. Objective/s:

Some of the causes may well become your objectives -short or longer term.

1. What would be your longer-term objective?

2. What does it hopes to achieve towards the end of the project? (**Specific objective/s**). Describe the specific objective/s in SMART form.

#### B.3. Justification

Every project is unique hence, each has to have a unique solution. What solution did it decide from solutions and why?

#### B4. Risk/s

Every undertaking has a risk(s). While some risks are internal and others external. What are the risks and how would it like to overcome?

#### PART C: PROJECT RESULTS:

# C.1. Project outcomes: (intended result that contributes overall objective & achieve specific objectives of the project)

Project Outcome/s	Indicator/s
What will be the overall and	How will you quantitatively and/ or qualitatively measure the
intended results of the project	outcome/s to show to what extent these outcomes are
or what benefits does the	achieved
target group(s) receive?	?
E.g: an outcomes of a safe	E.g. 20% rise in income level
drinking water project can be	
"improved health' as the overall	e.g. 50% reduction in water-borne diseases etc
benefit and "decline in	
incidence of diseases' as an	
immediate	
Outcome 2, 3	
Outcome 2, 5	
	_

# C.2. Project outputs & indicators (expected activities results & how it will be measured):

Output/s	Indicator/s
What kind of tangible goods or	How will you quantitatively and/ or qualitatively measure
services that directly result after	the project output to show to what extent these outputs
completion of the project?	perform? E.g "daily reliable supply of 30 liter/head for each
E.g: "Construction of 5 overhead	HH"
tanks" & "supply pipelines laid	
to every household etc	_

Output 2, 3	-
	-

#### C.3. Project activities (work to be performed to achieve project outputs):

Output/s	Activities	Inputs	Person in charge
	What are the main activities to be	Cost in Rs	
Copy same	carried out in time sequence to		
output/s	produce the outputs?		
from C2	-	-	-
	-	1	-
	-	-	-
_	-	-	-
	-	-	-

#### PART D: PROJECT MANAGEMENT

#### D.1. Monitoring and evaluation:

How will you carry out the routine checks and when? (Monitoring) How would you like to assess the overall impact of the project against the objectives (Evaluation). Since it is a technical task, how would you like to do this and how is this going to benefit all?

#### D.2. Sustainability:

How would you ensure the benefits/impact multiply long after the completion? How will similar activities be financed in future?

#### D.3. Cross cuttings:

Is your project sensitive to equity of gender/ special needs/ disadvantaged group and environmental conservation?

#### **PART E: BUDGET DETAILS**

Descriptions	Amount in Rs
1. Personnel Expenses:	
a) Wages and salaries	
b) Expert charges	
c) Others	
Sub total	
2. Project Expenses:	
a) Supplies and Materials	

b) Equipments	
c) Facilities	
d) Travel and transportations	
e) Others	
Sub total	
3. Miscellaneous	
4. DIRECT PROJECT COST (1+2+3)	
5. Monitoring, Reporting & Evaluation (Max. 3 % of direct	
project cost)	
6. Administration (Max. 4 % of direct project cost)	
7. Contingencies (Max. 5 % of direct project cost)	
8. INDIRECT PROJECT COST (5+6+7)	
9. TOTAL EXPENDITURE (4+8)	
10. Beneficiary's Contribution (Min. 15 % Of total expenditure)	
11. AMOUNT REQUESTED (9-10)	

	Pro	oject/	<b>Settlement</b>	Officer
